Hillsboro's Tom Rohlffs, who played and coached basketball in Oregon, was the paramount historian compiling this official boy's basketball record book. Four others, Mal Van Meer, Larry Moulton, Doug Calvert and Jed Tai also contributed greatly to the success of this book along with numerous other players and coaches. Without their input this record book would not be as thorough and accurate.

This has been a labor of love and these five did us all a great service. The book truly reveals a plethora of historical facts along with stats, stories, and pictures. You real Oregon basketball junkies need a copy for your personal library.

# Basket Ball.

The ball to be an ordinary Association foot ball.

1. The ball may be thrown in any direction with one or both hands.
2. The ball may be batted in any direction with one or both hands (never with the fist).
3. A player cannot run with the ball, the player must throw it from the spot on which he catches it, allowance to be made for a man who catches the ball when running at a good speed.
4. The ball must be held in or between the hands, the arms or body must not be used for holding it.
5. No shouldering, holding, pushing, tripping or striking, in any way the person of an opponent shall be allowed. The first infringement of this rule by any person shall count as a foul, the second shall disqualify him until the next goal is made, or if there was evident intent to injure the person, for the whole of the game, no substitute allowed.
6. A foul is striking at the ball with the fist, violation of rules 3 and 4, and such as described in rule 5.
7. If either side makes three consecutive fouls it shall count a goal for the opponents (consecutive means without the opponents in the meantime making a foul).
8. A goal shall be made when the ball is thrown or batted <sup>into the basket</sup> from the grounds and stays there, providing those defending the goal do not touch or disturb the goal. If the ball rests on the edge and the opponent moves the basket it shall count as a

# The Players

## **SALEM HIGH SCHOOL BASKETBALL TEAM**

1919-1920 Oregon State Champions

Salem-12; Lincoln-11

*(Amory T. "Slats" Gill top row, second from right)*

# First "Official" Boys' Basketball Tournament

*These are excerpts from the 1919 and 1920 Ashland High School yearbook.*

THE INTERSCHOLASTIC STATE BASKETBALL TOURNAMENT was staged by Dean Walker, athletic manager of the University of Oregon. This was the first state high school basketball meet in Oregon's athletic history. The state was divided into eight sections and the champs of each division met in Eugene, March 14 and 15<sup>th</sup> to decide an undisputed state championship. Contestants in the meet were Lincoln High of Portland; Hood River High from upper Columbia; lower Columbia sending Astoria High; Salem showing the "stuff" from Willamette; Silverton High from Upper Willamette; Eugene High representing Central Oregon; Marshfield High sent by the Coos Bay Section; and Ashland High playing for Southern Oregon. Eastern Oregon is not being represented.

The drawing for opponents and the time of playing took place at 3 o'clock Friday. Coach King drew, for the first game, Hood River High as opponents in the fourth game of the series. Seven games were played at the tournament. Lincoln won the first game from Eugene by a score of 23 to 10. Silverton took the second game from Astoria 20 to 17. The third game was easily won by Salem from Marshfield 44 to 16. In the fourth game the Hood River five was helpless and trying to stop the Ashlander's offensive. The local

"basketers" showed better teamwork in this game that exhibited by any other team at the tournament. Ashland made 49 points, while Hood River secured but 12. The semi-finals were played the next morning, in which Lincoln won from Silverton 33 to 16. Ashland and Salem played the second game. Because of Latham, the Salem center, who spoiled the strong Ashland offensive and A.H.S.'s lack of experience in a defensive game cost their defeat to Salem by score 37 to 17. Lincoln and Salem played the final game Saturday night in which Lincoln took the state championship with a score of 26 to 12; Salem taking second and Ashland third place in the state. The games were played before large crowds in the U. of O. gym.

The following Oregon high school all-star team was picked by the lettermen of the Oregon University basketball team: Dave Wright-Lincoln; Slats Gill-Salem; Hugh Latham-Salem; Irv Cole-Lincoln; and Arvin Burnett-Ashland were on the first team.

## 1920 State Tournament

The Ashland team was invited to attend the state meet, to be staged by Willamette University, March 4, 5 and 6<sup>th</sup> at Salem. Every effort possible was made to arrange games with Medford before entering the meet, to require experience, which can only be secured through games, and also to decide the Southern Oregon championship, but these efforts were of no avail.

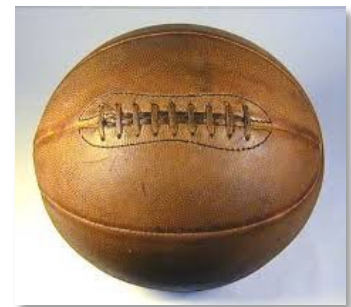

The state meet was staged by Coach Matthews of Willamette under the auspices of the Greater Willamette Club. The following teams were present at the Meet, representing their respective sections of the state: Lincoln, Rainier, La Grande, Madras, Forest Grove, Albany, The Dalles, Marshfield, Salem, Medford, and Ashland.

At the drawing, which took place Thursday noon, March 4th, Coach Moore drew Medford for Ashland's first game in the second game of the tournament. The other teams lined up in the preliminary games as follows: Salem vs. Astoria; Lincoln vs. Rainier; The Dalles vs. Forest Grove; Albany vs. Madras; and Marshfield vs. La Grande.

Salem easily defeated Astoria in the first game. Ashland won from Medford in the second game, 24 to 11. The first half ended with the score being tied, 7 to 7. In the last half, Ashland hit their stride and ran the score up to 24, while Medford scored but 4. In the third game, Lincoln defeated Rainier by an overwhelming score. The Dalles was eliminated by Forest Grove in the fourth game. The Madras team from Eastern Oregon lost the fifth game to Albany. La Grande won the last game of the preliminaries from Marshfield. The teams in the preliminaries were unevenly matched and, as a whole, the games were slow and uninteresting.

The drawing took place immediately after the preliminaries for the semi finals. Ashland drew Lincoln for the first game. Albany and Forest Grove were opponents in the second game, and La Grande drew Salem for the last game.

Lincoln won from Ashland, 36 to 18, by their close checking and machine-like teamwork. In this game, Bryant of Ashland scored 14 points, the largest number of points scored by an individual at the tournament. Albany defeated Forest Grove in a closely contested game. The last game of the semi finals was lost by La Grande to Salem.

The first game of the finals was to take place Friday evening, March 5th. The three teams that were left to compete in the finals were Albany, Salem and Lincoln. At the drawing, Albany and Lincoln drew the numbers that made them opponents in the first game, while Salem was fortunate and drew the blank, which allowed them to rest until the next day.

Lincoln crushed Albany's championship hopes, 50 to 11. The Lincoln team showed better teamwork in this game than any other team did at the tournament. Lincoln and Salem played the final game of the tournament, Saturday afternoon. Salem won from Lincoln, 12 to 11. It was a close and exciting game and was not won until the final moment of play.

The Salem team received two large cups. They were donated by Spalding and Bros. and the Wilson sporting goods store of Salem.

The Meet was staged in the Salem Armory before large crowds. The tournament was a success and the many athletes left Salem with a good impression of Willamette.

While in Salem, the Ashland team was the guest of the Sigma Tau Fraternity and was royally entertained.

*In 1937, the basketball team at Bellfountain High School won the Oregon state championship. That was an era when all schools, large and small, were grouped together for playoff purposes. Bellfountain H.S. had a total of nineteen boys, and their basketball team consisted of eight boys, none over 6 feet tall. After taking the Class B Championship, they beat Portland's Franklin High School (a school of 2100 students) in the semi-finals, then competed in the finals against Portland's Lincoln High School. The Bells beat Lincoln by 14 points— their closest game of the season.*

### CRABTREE MAKES 106 TO 7 SCORE IN SWEET HOME GAME

---

CRABTREE, Feb. 17 (Special)—  
Crabtree high school defeated Sweet  
Home high school last Friday in a  
basketball game with a score of 106 to  
7.

Once again Sweet Home demon-  
strated how to be a good loser. The  
only trouble with the Sweet Home  
players is they haven't had enough  
practice to play well. This was the  
lowest score ever made by Sweet  
Home and the highest ever made by  
Crabtree.

The lineup was:

| Crabtree      |   | Sweet Home |
|---------------|---|------------|
| Klaisner 50   | F | Robnett 6  |
| M. Ferebee 15 | F | Shirley    |
| Lock 8        | C | Moss       |
| Crenshaw 32   | G | Ellis 1    |
| A. Ferebee    | G | Rice       |

Crabtree high will play Lebanon  
Wednesday, February 15th and Shedd  
Friday, February 20th. Both games  
will be at Crabtree.

# Crimins Scores 73 Against Hermiston

**MILTON-FREEWATER**—Jerry Crimins set a new Oregon state high school scoring record of 73 points Saturday night as the Pioneers buried the Hermiston Bulldogs 116-63 in a Blue Mountain league game.

The new mark erased one that lasted a single day, Friday night Portland's Wade "Swede" Halbrook set a new standard of 71 points in a Portland City contest.

The Pioneer senior forward, already chosen on the all-state football team at quarterback and second all-state in basketball the past two seasons, connected on 31 field goals and 11 free throws in compiling his total.

His quarter totals were 19, 13, 15 and 26.

## Aimed At League Mark

At the start of the game the Mac Hi standout had a scoring record in mind, but not the state mark. Previously the holder of the Blue Mountain record, Crimins was out to break the league mark of 37 points set by Tom Moore of The Dalles last week.

He did much better. He passed

Moore's standard early in the third quarter, and went on to sneak up on Halbrook's mark as the game progressed. Crimins tied Halbrook's record with a minute to go on his 11th gift toss, and upped it by two points in the final seconds on a fast break layin.

## Two Other Records

Along with the individual mark, Mac Hi set a new Blue Mountain loop team scoring record of 116 points, erasing another one-day-old mark which Pendleton set Friday, 91, also against Hermiston. A two-team total mark also was established.

Three other players, two for Hermiston and one for Mac Hi, racked up respectable scoring totals, but trailed far behind Crimins. Will Leibe canned 26 for the Bulldogs, and Mac Hi's Jerry McCallister and Hermiston's Evans added 23 apiece.

Lyman Oelrichs scored six of his eight tallies in the opening quarter to go with 19 by Crimins to give Mac Hi a substantial margin which they stretched to 47-36 at halftime.

In the third and fourth quarters McCallister contributed steadily to the Pioneer total to help run it well above the 100 mark.

# Larsens Win Team Match At Rec Hall

Tugger and Logger Larsen of Canada established themselves as a top tag team here Saturday night by defeating Jack Carter and Mike Nazarian two out of three falls at Rec hall. The Larsens took the first fall in 11:45. Carter and Nazarian got credit for the second in 7 minutes flat, and the Larsens won the final fall in 5:16. It was a crowd pleasure.

The card was made up of three main events, with Frenchy Roy, Montreal, and George Strickland, Columbus, O., stealing the show with one of the best matches staged here in many a moon. It

Over 200 spectators craned their necks over the gallery railing of the Christian workers' gymnasium while they watched the game of "basket ball" yesterday afternoon between the teachers of the International Young Men's Christian association training school and the students. The teams were as follows: Teachers, Gulick, Clark, Naismith, Stagg, Morse, Bown and Myer; students, Davis, Mahn, Thompson, Archibald, Ruggles, Libby and McDonald. The teachers worked hard and performed wonders of agility and strength, but they were not "in it" with the students, who had the advantage in science, and the score at the end was 5-1 in favor of the latter. The most conspicuous figure on the floor was Stagg in the blue Yale uniform, who managed to have a hand in every scrimmage. His football training hampered him, and he was perpetually making fouls by shoving his opponents. He managed, however, to score the only goal that the instructors made. Dr Gulick and Dr Clark also did good work for their side. Among the students the best work was done by Ruggles, who tossed the ball into the illusive basket four times, and McDonald who scored once and did a great deal of brilliant playing. The spectators followed the game with much interest and amusement. Another game will be played soon between the seniors and the faculty of the physical department. The tie game between the boys of the Hill and the town association will be played off Tuesday evening.

### GILL

“Slat” Gill is the fastest, most consistent running guard on the state high school floor, as his work of all-state captain shows. He has played two seasons, and was captain of the team this year, and will be back for the season next year. He always has lots of fight himself, and knows how to put it into the team. He will be captain again next year and we are sure of success.

# Top 50

Selecting a Top 10 or All-Century team is not only impossible but also debatable and argumentative. Portland's Oregonian Newspaper came up with a post 1970's boy's high school player's list. The selection of a pre-70's top 25 is based on high school yearbooks, news clippings, state tournament results and post high school history.

goal.

9. When the ball goes out of bounds it shall be thrown into the field, and played by the person first touching it. In case of a dispute the umpire shall throw it straight into the field. The thrower in is allowed five seconds, if he holds it longer it shall go to the opponent. If any side persists in delaying the game, the umpire shall call a foul on them.

10. The umpire shall be judge of the men, and shall note the fouls, and notify the referee when three consecutive fouls have been made. He shall have power to disqualify men according to Rule 5.

11. The referee shall be judge of the ball and shall decide when the ball is in play, in bounds, and to which side it belongs, and shall keep the time. He shall decide when a goal has been made, and keep account of the goals with any other duties that are usually performed by a referee.

12. The time shall be two fifteen minutes halves, with five minutes rest between.

13. The side making the most goals in that time shall be declared the winners. In case of a draw the game may, by agreement of the captains, be continued until another goal is made.

## About the author

At an early age, Tom became interested in statistical engineering. He kept game and season stats for the teams he played on from the sixth grade through high school. In 1988, while a coach at Hillsboro High School, he was the first to create a computer statistics program for baseball, volleyball, and basketball called *Super Stats II*. Several schools still use the program.

His love for statistics carried over to his coaching career as well. He wrote an extensive historical record book for Hillsboro High School called *"Hilhi Basketball, Past, Present, and Future"* (1915-1993). This 350-page record book contains not only historical data but also the box scores for all games played from 1936. His next challenge was to update the Linfield College men's basketball record book. This 100-page record is online.

Tom was an outstanding three-sport athlete at Sunset High School. In basketball he was an All-Metro League first team selection, under legendary coach John Wyttenberg, and selected on the All-State third team. He still owns the career Metro League record for free throw percentage at .845. He was also an All-Metro League Cross-Country runner capturing first place in all Sunset high school meets and setting the two-mile record at 9:42. He was a pitcher on the Apollo varsity baseball teams and MVP pitcher (9-1) on the American Legion state runnerup team.

At Linfield College, Tom earned 11 varsity letters in four sports. He played four years for fabled Hall-of-Fame coach Ted Wilson's hustlin' Wildcats. He was a Northwest Conference selection, his sophomore year, on the 1967 "miracle team". He was a pitcher on Linfield's first-ever National Championship team in 1966. Coached by Hall of Fame coach, Roy Helser, the team was inducted into the Linfield and Oregon Sports Hall of Fame. He held the Linfield cross-country record, at 19:52, for the four-mile run. He was a member of four Northwest Conference championship teams.

His purpose, in writing this 106-year boy's record book, is that high school coaches and Athletic Directors own a copy of the book and will keep it current and up to date, so teams, athletes, and coach's records are preserved.

Approximately 380,000 players and coaches have been a part of our illustrious 106-year history of Oregon high school basketball. Tom wanted to reference as many players/coaches and teams as possible.

He and his wife, Bonnie, were married in 1969. They live in Hillsboro, Oregon and have traveled to 96 countries, including a 5-month world cruise in 2023.
